HOLIDAY CLOSURES:

- Memorial Day – Monday, May 25, 2026
- Juneteenth – Friday, June 19, 2026

STAY SAFE ONLINE!

Why Online Safety Matters

In today's digital world, being connected means being responsible. Online safety protects your identity, your privacy, and your peace of mind.

Dangers Online Include:

- Scams & phishing
- Malware
- Identity theft

How to Stay Safe:

- Use two-factor authentication
- Keep your apps and software updated
- Do not share personal info to strangers online
- Do not click unknown links before confirming the source

Think Before You Click.

Be Smart. Be Safe.

- Scammers often pretend to be your credit union, a delivery service, or even the IRS.
- When in doubt, contact the company directly using a trusted phone number or website.

If something feels off, pause. Scammers rely on pressure and panic — taking a moment can protect you.
